

Shower Channel - Lowline

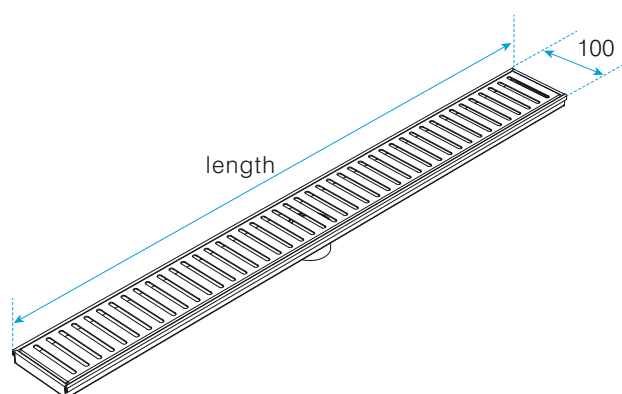

Veitch shower channels add style and function to any open shower with large tiles. The Lowline model is available in three grate patterns (Aqua, Monsoon and Ripple) with either a satin, chrome or black finish. A new tile insert grate is available for the Lowline model.

The channel and grates can be customized with:

- Overall lengths - from 500 to 2400mm.
- Tiling upstands - for placement against walls.
- A waste outlet that can be positioned along the channel length.
